出版时间:2003-2

装帧:Pap

isbn:9781553374114

Lots of funny creatures are featured in this riddle collection perfect for the emerging independent reader. This stage in development is just when children are interested in telling, inventing and understanding jokes and riddles. What better way to get them excited about reading than to offer them a Level 3 first reader which feeds both their interest in riddles and their sense of humor
