Outlook 2003 is the email client included with Microsoft Office 2003. However, it's much more than just an email tool. With the Axzo Press Outlook 2003 FastCARD, you can quickly come up to speed on using Outlook to manage not only email, but also

your time and information. This quick start guide shows you how to work with contacts and the calendar features of Outlook, as well as organizational tools such as Notes, Journal, and Tasks. We've also included a section with answers to the most frequently asked questions by new Outlook 2003 users. Need a Custom Solution? All of our quick reference guides can be branded or customized to meet your organization's needs. We can add your logo, corporate colors, help desk information or tailor the content to meet your requirements. The process is simple and easy. Contact your sales representative to get started. Minimum order 1000 guides.
