isbn:9780789736192

MCSA/MCSE 70-293 Exam Cram, Second Edition is the perfect study guide if you need help passing the 70-293 exam. Among exam objectives, you must learn to use remote desktop for administration, manage IIS 6.0, revive a failed server, choose between forest and domain functional levels, and configure software update services. This new edition covers all these topics, includes two full practice exams, and has been updated against Microsoft's official courseware (MOC) that corresponds to this exam. MCSA/MCSE 70-293 Exam Cram, Second Edition is perfect for you if you need a refresher on important concepts as well as a guide to exam topics and objectives. You'll get test-taking strategies, time-saving study tips, a CD-ROM testing engine, and a special Cram Sheet that includes tips, acronyms, and memory joggers not available anywhere else.
