Lights. Camera. Backstabbing.

My sister, Eva, just hit the big time as a TV teen—but the big time is hitting back. Someone on the set is planting lies about her in the gossip columns. Can I crack the case before Eva becomes just another falling star?

My camera is trained on two jealous actresses, one kick-butt publicist, and the boy next door (well, he plays one on TV). No one is playing their part as expected. As it turns out . . . not even me.
