It's crunch time at the Pole, and Santa's elves need help getting all of the toys ready for Christmas Eve. Following the same format as PSS's wildly successful Trim the Tree for Christmas and Christmastime is Cookie Time , this big, chunky book gives kids the opportunity to choose the correct toys that fit into the appropriate slots on each of five spreads throughout the story. Whether it's getting dolls into their dollhouses, placing teddy bears onto an assembly line, or loading up the sleigh for the big guy himself, with over 30 fun, toy-like pieces, this is a job that kids will love!
