The young narrator lives where the sun winks off the waves, breezes cool the evening, treasures are waiting to be discovered. ‘Where I Live’ is the seaside.

In her first picture book, Frances Wolfe has captured the sights and sounds of life on the seashore in 16 outstanding illustrations. Astute readers will note the first letter of each two-line verse spells out the word "seaside." A sweet way to visit the sea with the youngest of readers.

这本书得了几个奖，不过我和瓜妹都觉得一般般。比较有意思的是每一节诗的第一个字母连起来就是书名的答案：seaside
