Ages 8 to 12 years. These true-life tales of aviation pioneer Amelia Earhart, based on the remembrances of her sister Pidge, will inspire and thrill young readers. Kids will cheer as Amelia rescues two neighbour boys from an angry dog and when she builds

her own "rolly coaster" off the roof of her grandparents' shed. Amelia's fascination at seeing her first airplane, as well as her curiosity, courage, and determination to learn, will make this portrayal of an American heroine a favourite of both children and adults.
