Kids and horses - an irresistible combination. To strengthen the bond between young girls (the most passionate horse lovers of all ) and their equine companions, Cherry Hill presents the essentials of horse care in a format and tone perfect for the teen and

pre-teen horse set. Beginning with how to match the right animal with the right rider, and progressing through feeding, grooming, stabling, health care, safety, and much more, here is everything a young equestrian wants and needs to know about horses.
