Create existing bugs or make your own with Totally Bugs. This fascinating and interactive book allows children to learn as they use their creativity. Includes a 32-page book and over 40 pieces to make 5 different bugs such as a black ant, stag beetle,

ladybug, greenbottle fly, and orb weaver spider. Children will learn the answers to questions such as what bugs eat, why bugs are necessary for humans to survive, and what the difference is between a bug and an insect. Each page is filled with brightly-colored illustrations accompanied by informative and easy-to-understand text. Kids will also love making different dinosaur skeletons with Totally Dinosaurs.
