What's so bad about Tuesday? It's hair washing day, that's what Three-year-old Michael would rather do anything than have his hair washed. His father thinks it might be enough just to run a wet washcloth over Michael's head. His sister Daniella thinks it might be a good idea to shave Michael's head. But Michael doesn't like the idea of being bald. Find out what happens to make Tuesdays a little less hairy in this hilarious whirlwind adventure.
