出版者:Thomas Nelson Inc

出版时间:2006-8

装帧:Pap

isbn:9780849912566

Bethany Hamilton made national headlines on Halloween morning 2003 when she was attacked by a shark off the coast of her favorite Hawaii beach. She maintained her courage, strength, and most importantly, faith, throughout the months that followed and has become a great example to Christian young women everywhere. In this devotional Bethany writes on topics such as Christian witness, regret, identity, beauty, and family for teen girls in the warm and friendly tone of a Hawaii surfin' girl.
