A sturdy animal board book from the best-selling creator of Maisy—now with an irresistibly touchable cover.

In this enticing board book, Maisy creator Lucy Cousins introduces very young children to the variety of the animal world with her eye-catching chunky shapes, bold lines, and crayon-bright colors. This playful new edition of FARM ANIMALS invites little ones to explore with their hands as well as their eyes. Now on the book's cover there's a touch-and-feel feature: the woolly body of a sheep.
