LeBron James arrived on the NBA scene in 2004 with a lot of pressure riding on his shoulders. Could he live up to all the hype that surrounded him at the draft? He could, and he did--quickly establishing himself as a player to watch. Now, he's ready for the new season, ready to prove that he's not a one-year phenom. And you can get in on the action with all the inside facts on this NBA sensation.
