When Cyd Charisse moves from San Francisco to start a new life in New York City, she leaves behind her family -- and her true love, Shrimp. She wants to find a cool job, the city's best caffeination and most perfect cupcake, and a hot new love. But the reality of CC's new life hits some unexpected obstacles, including a broken leg that renders her immobile; the joy and aggravation of sharing an apartment with a roommate who's also an older brother; and a tasty selection of guys -- none of whom measure up to Shrimp. Then, just when CC starts to get her new life on track, her old love returns. Shrimp has given up on his plans to live and surf in New Zealand and arrives in NYC with nothing to do other than to be with CC. And this time CC is determined that she

and Shrimp will not repeat their old mistakes.This third book about reformed hellion Cyd Charisse is just as unforgettable as "Gingerbread" and "Shrimp."
