出版者:Harpercollins Childrens Books

出版时间:1992-5

装帧:Pap

isbn:9780064404358

"Organized in seven chapters, [here are] the comical doings of two friends devising treasure hunts for each other. [Newbery Medalist] Byars brings amused intelligence to this easily read story, effortlessly weaving lessons in logic, family dynamism, and creative play into a story that will be read 'just for fun.' Wryly comical drawings; eminently approachable format." —K. 100 Books for Reading and Sharing 1991 (NY Public Library)
