

The Mission of Addition

[The Mission of Addition_ 下载链接1](#)

著者: Cleary, Brian P./ Gable, Brian (ILT)

出版者: Lerner Pub Group

出版时间: 2007-9

装帧: Pap

isbn: 9780822566953

New from the author of the best-selling Words Are Categorical series, this is the first title in a new series that introduces basic math concepts to young readers with fun, rhyming texts; bright, humorous illustrations; and many examples. This book helps kids become familiar with terms they'll encounter when learning to add, gives fun examples

of adding, and includes practical applications that kids can relate to, all in the author's characteristic wacky rhyme.
