著者:Adams, Michelle Medlock

出版者:Ideals Pubns

出版时间:2007-8

装帧:HRD

isbn:9780824967123

This title suitable for ages 2 to 5 years. Following the success of "What is Christmas?" and "What is Easter?", Michelle Medlock Adams brings the same humour and warmth to this little Halloween board book. The simple text and colourful illustrations will help put youngsters at ease with the sometimes frightening symbols of the holiday. Adams brings readers full circle to explain that scary costumes and haunted houses are but a small part of this celebration.
