Princess in the Pantry is essential for anyone who loves to entertain, and is looking for some creative ideas and enticing menus. The book is geared to the "princess" who is challenged in the kitchen, as well as the busy mom who wants to impress her guests. Princess in the Pantry is a cooking and entertainment guide with recipes which are easy to prepare and are sure to get rave reviews from even the most discriminating palate. The book offers many "tips" on how to save time during those hectic holidays and how to put special touches on your parties that will keep your guests chatting for months. The Timeline is an innovative concept which is recommended for all menus to ensure every dish is served precisely on time and at the perfect temperature. After all what could be more important? You will find 3 Elegant Dinner Party menus with complete shopping lists and time savers to prepare the entire meal. Princess in the Pantry is a perfect gift for the bride-to-be as well as a suitable Hostess gift for your princess friends. Coming Soon: Our website: [WWW.Princessinthepantry.com](http://WWW.Princessinthepantry.com), stay tuned for details on How to host a Princess In the Pantry Party. The website will offer new recipes, menus, and splashy party poppers You can also order your custom invitations for your next soiree Questions or comments?
