What's tiny enough to fit in your pocket but mighty enough to serve as your full-featured mobile phone, your Palm-powered organizer, your wireless email, text messaging, and web-browsing tool, and even your digital camera? Why, it's your all-in-one Treo smartphone from palmOne! And you can master the revolutionary little device in no time flat with the new Treo Fan Book. Not much bigger than the Treo itself but jam-packed with all the information you need to learn about each and every feature and capability of this combined phone/PDA, Treo Fan Book is a full-color, reasonably priced treasure trove of tips and tools to make instant experts of even smartphone neophytes. More than 200,000 Treo's have already shipped, and the

popularity of the powerful, pint-sized device is growing. This quick and accessible guide to the bestselling smartphone is the perfect choice for yourself or gift for the Treo aficionado in your life. Author Jeff Ishaq can help anyone become immediately Treo savvy. A Palm OS Certified Developer who has been producing software for Palm OS devices since their inception in 1996--and who develops popular shareware for the Treo 600--he is well known amongst the Palm community, and he has been named a Handspring Developer's Community Host for his participation in their Treo 600 community. Ishaq has an approach and writing style that will make learning the Treo quick, painless, and fun for all. Designed for new and eager Treo users, this unbeatable reference guide contains just the information you need (including the basics, such as using the phone, finding your way around the organizer features, and surfing the web)--and then plenty more that you want (things like mobile living with the Treo, such as using it as an MP3 player; selecting available accessories; and taking advantage of countless troubleshooting tips). The Treo Fan Book helps you make the very most of your new, do-all gadget.
