Designed for students at a variety of skill levels, Learning Adobe Illustrator CS2 teaches using real-world design examples. The Learning series provides students with a total-immersion, hands-on tutorial that walks them step-by-step, mouse-click by mouse-click, keystroke by keystroke through all the features of the software application. The spiral-bound text contains easy-to-read, appealingly formatted procedural explanations and step-by-step exercises in a multi-part Lesson format.
