isbn:9780753457511

Why are twisters so dangerous? What makes floods happen in a flash? What was the Dust Bowl? How big can waves get? Find out the answers to these and many more questions about volcanoes, tsunamis, earthquakes, and extreme weather. A wealth of information is backed up with stunning, high-quality artwork, fun facts, and lively cartoons. The best-selling I Wonder Why series has always been the perfect place for

children to find the answers to their questions. With their quirky style and informative text, these books are great for gripping the imagination and developing reading skills.
