著者:Barbara McClintock

出版者:Scholastic Press

出版时间:2005-10-01

装帧:Hardcover

isbn:9780439561457

Poor Cinderella, who is relegated to a dingy garret room by her duplicitous stepmother and beleaguered by her nasty stepsisters, never gives in to hostility or revenge. Instead, this sweet heroine remains steadfast in her kind, gentle ways, and her generosity flows like a mountain stream. This tale of virtue rewarded is as charming and rich as any prince. McClintock's warm, humorous, and lucious artwork that reflects the story's French roots, coupled with her disarming text will insure that this book will be loved and cherished -- happily ever after.
