Venus Johnston debuted with brazen personality and spirited humor in "Nappily Ever After" as she searched for the holy grail of marriage. Blessed with a beautiful baby daughter and a husband who is a former rap star with his own multi-million-dollar clothing company, her long journey to find love has finally come to fruition. But life as a stay-at-home wife and mother is hardly the end of the rainbow. In fact she's ready to do anything to jump start the career she's put on the back burner for the last two years. Against her good sense and her husband's wishes, she applies for a high profile PR job to help save a struggling city hospital manned by none other than her former boyfriend, Dr. Clint Fairchild, the very one and same who dumped her and married long-silky haired bombshell, Kandi Treboe. Venus soon finds out the two women are vying for the same job. This time competition between she and her old nemesis turns into a battle Venus is determined to win by any means necessary. With an unhappy hubby at home, a nanny who's becoming mommy in her child's eyes, while forming an uncomfortably close relationship with her husband, and a deviant at work sabotaging the hospital, Venus may have taken on much more than she can handle.
