著者:Atwood, Jennie Archer

出版者:Random House Inc

出版时间:2005-6

装帧:Pap

isbn:9781561584451

Using a friendly, problem-solving approach to creating contemporary garments and accessories from old fabric, Jennie Atwood invites sewers to search out vintage hankies, linens, and trims, and shows how to work them into garments, pillows,

slipcovers, and other useful and decorative items. She provides all the information needed to work with vintage fabrics: where to find great pieces and how to repair, clean, and sew fragile material into elegant textile treasures./p
