Decorating the bedroom poses some unique challenges, but with this "Country Living Easy Transformations" guide walking you through the process, you'll successfully create an attractive and relaxing personal sanctuary. From transforming the room with color to updating a look that's become passe, these exquisitely illustrated ideas provide the answer to any problem. Find out how small changes can yield big results; go retro or romantic; soundproof for true tranquility; incorporate a home office into the space; and fully express your personality. There's special advice on designing welcoming guest rooms, too. Boxed tips offer suggestions on such details as decorating with flea market finds, and making the most of contrasting textures.
