Review

More and more, baby boomers face the prospect of trading in their large homes for smaller accommodations. Seldon, host of the TV series *Design for Living*, addresses this issue in a book loaded with color photographs depicting every room of the home, including outdoor spaces. Captions point out the design tricks used to maximize each small space.--Library Journal, September 15, 2007

Product Description

All over the world, consumers are discovering the merits of the small space lifestyle, abandoning the work and burdensome expense that goes with living in a "McMansion" in favor of the elegance and practicality of living in cozier spaces. From young homeowners who have rediscovered the joys of loft-style homes in the city, to empty-nesters who prefer smaller, more manageable living spaces, millions of homeowners have migrated to the "not-so-big" style of living.

500 Ideas for Small Spaces is a practical guide featuring 500 real-life remodeling, organizing, and decorating tips for making a truly small home look and function better. Today, living in a small home isn't a compromise, it is the preferred choice for growing numbers of homeowners.
