Fay Sweet's Source showcases the very best of international architecture and design, providing a comprehensive and invaluable internet directory of all the finishes and furnishings on display with its central focus on modern design classics. "Source provides maximum inspiration and information for anyone interested in design." Sweet writes. The book's layout is unique - opposite every page showing a stunning interior, there is a page of products." Source will tell you exactly where to buy the perfect Le Corbusier chaise; Eames lounge chair; or George Nelson day bed and equip you with the information you need to make your design dreams a reality. Covering different types of functional spaces, including living, eating, sleeping and working areas, and a range of interior styles from minimalism to full-on maximalism, the book provides countless interior ideas suitable for every home. With over 60 full-color photographs of the world's most desirable contemporary interiors, Source acts as your guide as you navigate the worldwide web.
