著者:Robert, ed. McCarter

出版者:Princeton Architectural Press

出版时间:1997-07-01

装帧:Paperback

isbn:9780910413404

Pamphlet Architecture was begun in 1977 by William Stout and Steven Holl as an independent vehicle for dialogue among architects, and has become a popular venue for publishing the works and thoughts of a younger generation of architects. Small in scale, low in price, but large in impact, these books present and disseminate new and innovative theories. The modest format of the books in the Pamphlet Architecture

Series belies the importance and magnitude of the ideas within.
