isbn:9780823099610

"Walls That Wow!" is for anyone who dreams of adding a little personality and pizzazz to their rooms but doesn't have a lot of time, or a lot of money. The key is reinvention! In a very fun unintimidating manner, this book presents imaginative and stylish wall treatments using unexpected materials and not one drop of paint! Home decor artist, Jonathan Fong, ensures that everyone will come away from this book inspired and ready to redecorate.
