出版时间:2006-6

装帧:Pap

isbn:9780376013323

This second decorating release in Sunset's Before and After series is truly a fun way to get the creative juices flowing for your next bathroom project. You're sure to find helpful ideas when you peek into 40 households and see their "Before and After"

photos. These real-life examples show how dull and even dilapidated bathrooms can be turned into absolutely amazing spaces. In addition to the inspiring transformations, this new volume is packed with fabulous photos and helpful text, pointing the way toward dream bathroom makeovers.
