Alden Dow (active 1930s-1970s) produced more than five hundred designs of daringly modern structures.

This book traces Alden Dow's life and work as well as the intensely personal philosophy that governed everything he did: houses, churches, schools, business and civic structures, and even a new town in Texas. Dow changed the face of his hometown

of Midland, Michigan, leaving more than one hundred buildings, including his Home and Studio, a National Historic Landmark. 185 color and 220 black-and-white illustrations.
