This is a superbly illustrated series showcasing the best design work from some of the 20th century's finest architects. This engaging new series is dedicated to showcasing the very best in furniture and object design from some of the most important architects of the Twentieth-century. Each title begins with a brief but detailed introductory essay, before moving on to analyse - through sketches, drawings and photographs of the original productions - the main designs of the featured architect. Also included is a complete illustrated chronology of their works.
