"Interior Design Details" brings together the best in contemporary interior design. Much more than an illustrated directory of the most beautiful and amazing objects available today, this book features a collection of inspirational interiors designed by architects and designers that show how to get the latest looks, alongside pictures of hundreds of products. Including the work of renowned designers such as Frank Gehry, Philippe Starck, Norman Foster, and Daniel Libeskind, this book contains a directory of over 800 suppliers, which ensures that all the products can be easily sourced. With an emphasis on the very latest in "smart" technology and eco-friendly products, "Interior Design Details" is as inspiring as it is useful.
