出版时间:2008-6

装帧:HRD

isbn:9781864701180

Architecture for Healthcare continues IMAGES' commitment to presenting the very latest trends in architecture for health, from the best architects around the world. New

and renovated hospitals, day centres, rehabilitation centres, research facilities, respite and aged care facilities, are presented in full colour, many with plans. This book demonstrates today's architectural responses to the complex demands of healthcare.
