著者:Lonergan, Jesse

出版者:Nbm Pub Co

出版时间:2007-5

装帧:Pap

isbn:9781561634965

Kyle has just settled in to his new city and job. He doesn't know anyone around but it's comfy enough in its boring routine. Erika, a pretty neighbor, catches his eye. They meet, they talk. Before they know it, they're an "item." Before they know it, in fact, they're very very together. It's a high, but it's frightening. It is really the right choice? Are they really for each other or just escaping loneliness? There's great moments. There's doubt. In the middle of happiness, Kyle gets nightmares of pulling his teeth out. Jesse Lonergan's simple style is moody, subdued, lets the pictures mostly do the talking over an expansive graphic novel that is very real and explorative. Another find from NBM's ComicsLit.
