Honor, freedom, liberty...those were mere words to Katie Armstrong, a savvy thief and indentured servant on the run in colonial Boston. For the sake of survival, she agreed to a British lord's bribe: unmask the identity of the patriot known as John Smith, or be returned to her brutal master. But soon the cagey John Smith was making the same threat -- unless she spied for "him." Katie planned to play both men against each other...until, masquerading as Smith's mistress, she lost her heart to the seductive stranger she had set out to undo. Ethan Harding's steely heart was ready to risk anything to end British tyranny -- even if it meant taking on the false identity of John Smith, putting his own life in jeopardy, or blackmailing a beautiful and terrified young woman. And if that woman's angelic face made other men spill their secrets, so much the better. But now, Katie Armstrong's charms were about to betray his heart "and" his cause -- and his desire for the elusive temptress would turn the tables on everyone and everything he had pledged to protect.
