

The Wind in the Rose-Bush

[The Wind in the Rose-Bush_ 下载链接1](#)

著者:Freeman, Mary E.Wilkins

出版者:Academy Chicago Pub

出版时间:2005-8

装帧:Pap

isbn:9780897332323

The 6 stories in this collection add a new dimension to the fictional portrayal of New England life. The author's apparently simple, declarative prose moves the reader convincingly into a world where ghosts dwell and evil is real. These stories contain buried comments on the life of women at the turn of the century. By the author of Pembroke.
