In the New York Times best-seller *Surrendering to Marriage*, Iris Krasnow offers a raw and penetrating portrait of modern marriage and the backbreaking work required to make it last. With joyous, sexy, and shocking stories of real marriages, real affairs, and real divorces, *Surrendering to Marriage* moves far beyond a how-to manual; Krasnow shows us that a successful marriage has less to do with bursts of bliss, and everything to do with embracing the ordinary in our day-to-day relationships.
