出版时间:2001-8

装帧:Pap

isbn:9780572026677

Who cannot have heard of Zac, Jade, Blossom or Gaia? Nobody! Television has introduced us to charismatic characters and alluring personalities with very unusual names - by traditional standards anyway. This comprehensive book presents the best of the acceptable names that might be described as international. Names that people use in Britain, America, Australia and elsewhere - basically English, but with the added flavour of European, Asian and Oriental influences.
