Molly Ballard was desperate. It wasn't easy caring for two brothers and two sisters, and keeping a roof over their heads. She needed money more than ever. Yet in a fit of anger she quit her job as a groom at the posh Wyland Farm in Kentucky's rich turf--and then stole out of the tack room with \$5,000 in FBI cash. So when Agent Will Lyman catches her in a lie, she agrees to cooperate in a sting. She'll do anything to protect her family, to shield the secrets of her past, and guard her heart from further hurt. Molly will even spy for Will and let him pose as her lover. But soon the passion they pretend becomes searingly real as they court danger in bluegrass country and cross the path of a killer who will stop at nothing under a Hunter's Moon.
