The greatest invention since sliced bread may be the machine that makes the loaves that you dream of slicing. The Bread Lover's Bread Machine Cookbook finally bridges the gap between great taste and convenience, with over 300 glorious recipes for bread machines. The automatic bread machine makes it possible to enjoy fresh and signature loaves of bread without the time and expense usually involved in bread baking or purchased artisanal breads. Today's bread machines are versatile, affordable, safe, and efficient, turning out perfect loaves time after time. Try Croissants or Banana Bread for breakfast, lunchtime sandwiches on Honey Whole Wheat Bread or Tomato Bread, a loaf of Garlic Focaccia or a Sage and Onion Bread-stuffed roast for dinner, or even Candied Chestnut Panettone and Pumpkin Cloverleaf Rolls for the holidays. Classic white loaves, hearty whole-wheat breads, sweet breads, swirled breads, pizza doughs, quick breads, even jams are easy to make right in the bread machine. Renowned bread baking expert Beth Hensperger's best bread recipes yield great results-- just add the ingredients, and let the machine knead, rise, and bake loaf after loaf of fragrant, delicious fresh bread.
