From a passionate and talented chef who also happens to be an Episcopalian priest comes this surprising and thought-provoking treatise on everything from prayer to poetry to puff pastry. In *The Supper of the Lamb*, Capon talks about festal and ferial cooking, emerging as an inspirational voice extolling the benefits and wonders of old-fashioned home cooking in a world of fast food and prepackaged cuisine. This edition includes the original recipes and a new Introduction by Deborah Madison, the founder of Greens Restaurant in San Francisco and author of several cookbooks.
