A beautifully designed, two-color book with drawings, poetry, book excerpts, and information about the flavors, benefits, history, and cultural lore surrounding the 5,000-year-old tea experience, from the tea gardens of Asia to the tea rooms of Europe and North America. Included are guides to the leaves, plants, and manufacture of teas and other botanicals used in making tea, information on the medicinal benefits of teas and herbs, maps, diagrams, recipes. Plus much more TeaMinded knowledge.
