出版时间:2002-5

装帧:平装

isbn:9781840186086

Ignoring the mythology which surrounds Scotland and her favourite tippie, this is a book in which Scots tell the truth about their national drink. It is written by people who are passionate about their subject, who know what they write about and who love what they know. It is about whisky and about Scotland - the real Scotland behind the invented one of advertisers and the gift shops. Over the last 30 years Scots have reasserted their cultural independence, rediscovering their national drink - a renaissance not only to be celebrated by Scots but also by the rest of the world, which has not been slow to appreciate single malt whiskies.
