Eleven-year-old Satsuki and her sassy little sister Mei are overjoyed about moving into a historic country house with their dad - but the girls don't realise what a delightful

adventure awaits them there. While exploring their sprawling home and the beautiful rural area that surrounds it, Satsuki and Mei meet Granny, a sweet old woman, and her timid grandson Kanta. They also experience firsthand the magic of the Soot Sprites, mysterious creatures that live in the walls, and discover a huge camphor tree that just might be enchanted...
