The fashionably funny new novel from the bestselling author of *Pants on Fire* .

Cross Bridget Jones with *The Devil Wears Prada* and you have this engaging romantic comedy about love, sex, friendships, and relationships...with a lot of style.

Emily Pointer, stylist for *Chic* magazine, has a rule about fashion: never wear anything older than six months...unless it's so old you can pass it off as vintage. And never, ever fall in love, unless it's for a killer pair of Manolos.

With a witty and biting insider's take on the fashion world; the crazy circuit of the New York-London-Milan-Paris designer shows, and the most humbling of all experiences, love, Maggie Alderson delivers a poignant, funny novel of success and revenge, friendship and flirtation, passion and Prada that's as fresh and rejuvenating as an afternoon at Bliss Spa.
