What could be sweeter than Revenge ? The sequel. American readers fell in love with Elizabeth Buchan' s Revenge of the Middle-Aged Woman . Now, with the delicious sequel to that beloved New York Times bestseller, Elizabeth Buchan answers the intriguing question: What happens when the mistress becomes the wife? Minty Lloyd is now the second wife to her husband, Nathan—but she is haunted by her very much alive, and quite reborn, predecessor Rose. Yet after a shocking phone call, Minty finds herself united with an unexpected ally—the woman she once betrayed. With Buchan' s signature gift for capturing women' s daily joys and struggles, Wives Behaving Badly is an irresistible story of love, loss, and renewal that explores the very nature of friendship and the bonds that sometimes grow strongest when stretched to breaking.
