Heart-Pounding Murder Mystery

Involved in a tragic accident under suspicious circumstances, award-winning journalist Jake Woods teams with detective Ollie Chandler to uncover the truth. This alluring repackaging of the Randy Alcorn bestseller finds Jake drawing upon all his resources in an ever-intensifying, dangerous murder investigation. Unaware of the imminent threat to his own life, Jake struggles for answers to the mystery at hand and is plunged into a deeper search for the meaning of his own existence.

His Body Hung Suspended Between Two Friends--His Soul Between Two Worlds

Doc's shoulder jammed into Jake as he swerved the Suburban sharply to the right, cut between a telephone pole and a billboard, then careened into a ten-foot high embankment. Sometime between the sound of Doc's last cry and the sickening crunch of bent metal from the car's first roll, Jake lost consciousness. The last sensation he felt was that of being crushed between the two men he had known since childhood...

When tragedy strikes those closest to him, award-winning journalist Jake Woods must draw upon all his resources to uncover the truth about their suspicious accident. Soon he finds himself swept up in a murder investigation that is both complex and dangerous. Unaware of the threat to his own life, Jake is drawn in deeper and deeper as he desperately searches for the answers to the immediate mystery at hand and—ultimately—the deeper meaning of his own existence.

Deadline is a dramatic and vivid novel of substance, filled with hope and perspective for every reader who longs to feel purpose in life.

Story Behind the Book

Deadline is Randy Alcorn's first novel, which stayed on the bestseller's list for thirty-six months. A thorough researcher, Randy spent time with Portland homicide detectives and columnists at the Oregonian, as well as observing editorial meetings at the Indianapolis Star so he could accurately create the novel's murder-mystery storyline, setting, and characters. Randy also creatively portrays characters who have died and gone to heaven, where they view events happening on earth.
