When fifteen-year-old Henry Every washes up on shore, the only clues to his shocking death are those he leaves behind in a secret ledger that someone mysteriously leaves on his parents' doorstep. Crammed full of his darkly comic confessions, the pages detail Henry's myriad misadventures on his wayward quest for self-betterment: acts of petty crime with his best friend, Jorden, a romantic obsession with the elusive Benna, and a prickly relationship with a lethal jellyfish. Quietly wise and laugh-out-loud funny, The Every Boy proves there's hope in the darkest places -- you just have to know where to look.
