This luscious, colourful book contains 108 colour photographs of leaded glass window installations and 46 detailed line drawings rendered in a professional client proposal format. This collection is drawn from the studio designer's portfolio of McMow Art

Glass covering more than 18 years of commissions. The styles include all aspects of leaded glass design from beveled panels to landscapes, but the spectacular entryways are particularly outstanding. This book is essential for all art glass libraries and will prove invaluable for architects, builders, interior designers, glass artists and ultimately for all lovers of leaded glass and design.
